

MUSTANG SURVIVAL INTRODUCES THE NEW 2016 PRODUCT RANGE

ELITE™ 38 INFLATABLES - BUILT FOR OFFSHORE CONDITIONS (MD5253-83)

The Elite™ 38 blends lightweight with durability and our highest buoyancy rating for commercial inflatable PFDs at 38 LBS. The lightweight body-armor industry outer shell is reinforced with TPU abrasion patches in hard wearing areas. The bright fluorescent yellow/green inflation cell greatly improves in-water visibility and includes a strobe light holder and safety whistle.

1. Hydrostatic Inflator Technology (HIT™) only inflates when submerged minimizing accidental inflation
2. Lightweight body-armor industry outer shell shaped for optimum mobility and all day comfort
3. Bright fluorescent yellow/green inflation cell for improved in-water visibility
4. Discreet anodized inflation handle reduces interference
5. Aerodynamic 3D chassis reduces drag at high speeds
6. Wide shoulder system eliminates neck fatigue
7. Intuitive side adjusters to fine-tune for fit
8. Wicking mesh liner and back vent for enhanced breathability
